EARTHQUAKE AROUSES STAR VALLEY PEOPLE

Star valley was visited last night by an earthquake of minor proportions and many people were aroused from their slumber by the shaking of their houses. There were three distinct tremors, the first about 3 a.m. and the others at intervals of about 35 or 40 minutes. No damage was reported, although there are many who will confess that it is an unpleasant sensation.

[Star Valley Independent; June 12, 1930]
